winner Smart  
Mobility  
Challenge

-42° C,  
CZ lower  
temperature  
ever

Pilsen  
Budweiser

And  
some  
more ...

The other  
people of the  
world like the  
same things

3<sup>rd</sup> nation  
in space  
13,5 mil. SIMs  
1 supercomputer

12 UNESCO  
monuments

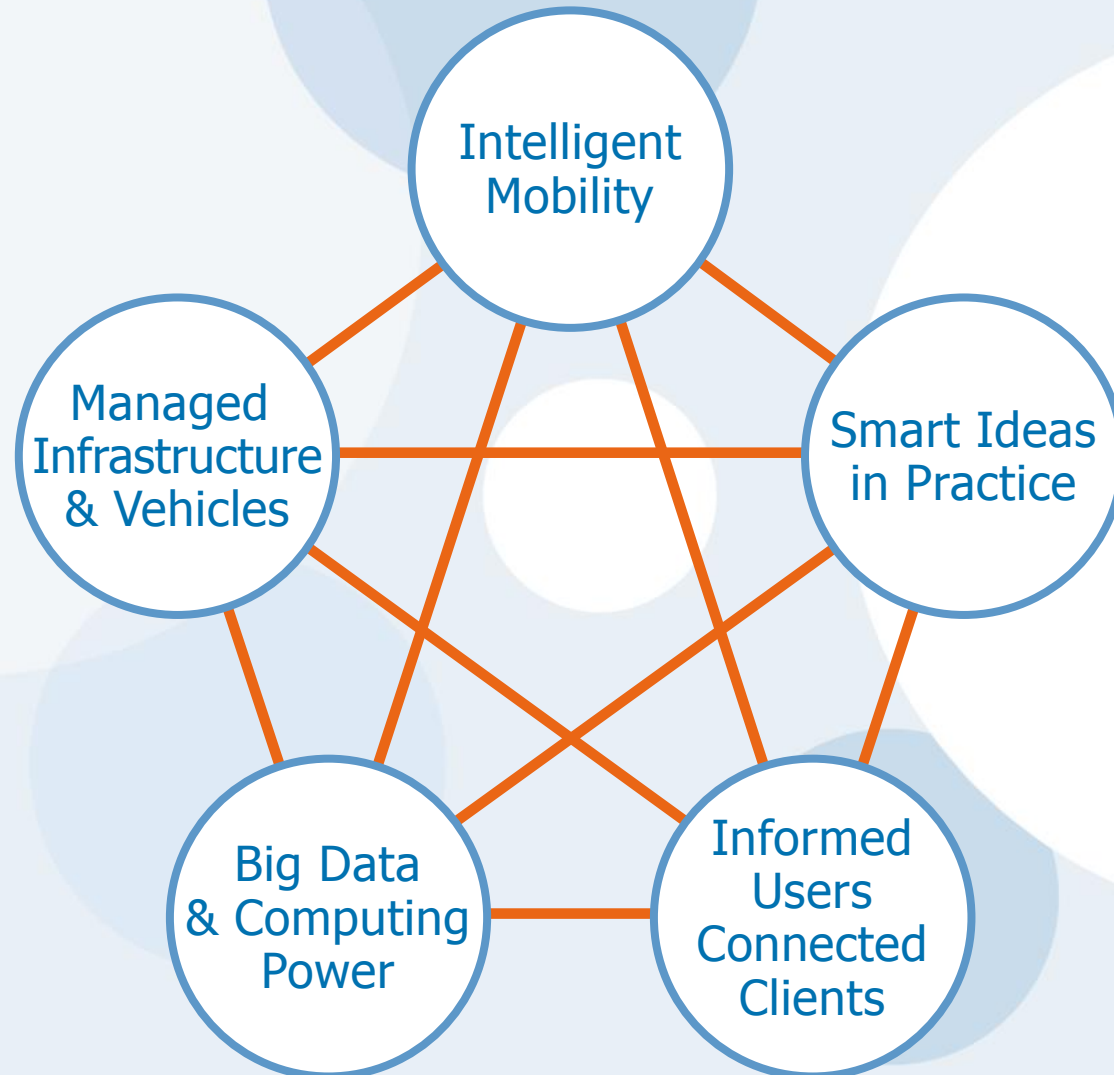

# One small country

**a part of Europe**

# Safer better life and cleaner environment

# DATEX

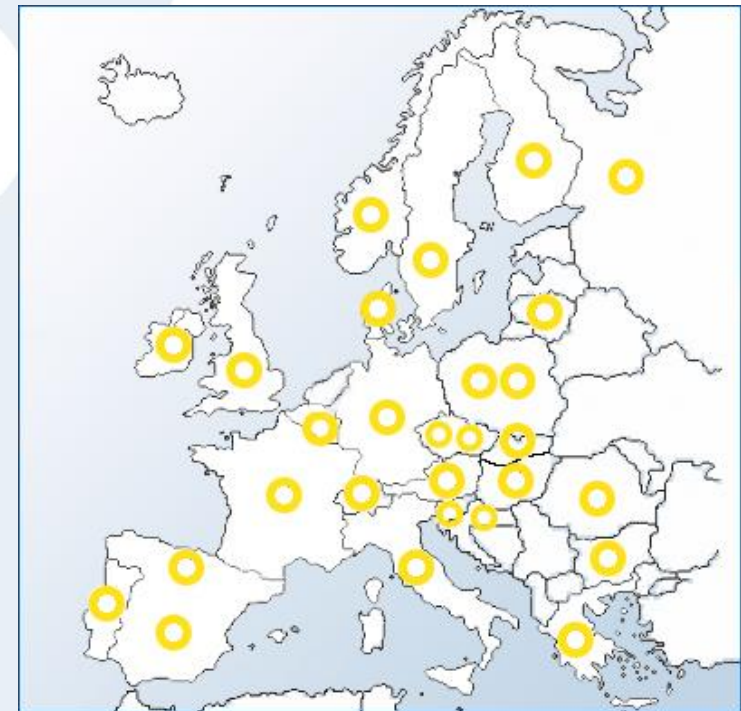

## relevance to ITS Action plan

- EU-wide 'multimodal' travel information services
- **EU-wide 'Real-Time' Traffic Information services**  
(so called priority action b)
- Data and procedures for the provision, where possible, of road safety related minimum universal traffic information free of charge to users
- Harmonized provision for an interoperable EU-wide e 'eCall'
- Information services - safe/secure truck parking places
- 6. Reservation services - safe/secure truck parking places

# ITS Nationals

- Network of national ITS associations hosted by ERTICO – ITS Europe
- 27 national ITS organizations
- Share information about national ITS activities and strategies,
- Mutual inspiration,
- Raise awareness of common ITS interests within the European Union,
- Support cooperation and projects across EU Member States.

# ITS&S

- National ITS Association
- Founded 2000 as ITS&S Czech Republic
- **80 Czech and Slovak** companies & institutions on board
- Non profit SME status from FP7 point of view
- Member of the network of ITS National Associations
- Discussion partner to public sector and partnership with other Czech professional associations active in transport:

Czech Chamber of Commerce, Confederation of Industry and Transport, Transport Union of the Czech Republic, ČESMAD BOHEMIA: Association of Road Transport Operators, Association of Small and Medium-sized Enterprises and Crafts of the Czech Republic, CAPTA: Czech Association of Public Transport Authorities, PPP Association

**Enjoy your conference !  
Welcome to Prague !**
