

Smart Cities Symposium Prague 2018

organized by the Czech Technical University in Prague, Faculty of Transportation Sciences

Dear Colleagues

We are pleased to invite you to participate in the fourth annual conference **SCSP 2018** - Smart Cities Symposium Prague that will take place on **May 24, 2018** and **May 25, 2018** in Prague, Czech Republic.

The Symposium will cover the following key areas:

- System approach to Smart Cities transformation
- Information and data processing, algorithms, agents, simulation and prediction
- Technologies for Smart Cities
- Human Factors in Smart Technologies
- Social aspects of Smart Cities
- Energy efficient buildings
- Best practices for Smart Cities transformation

The Symposium aims to be a multidisciplinary forum for exchanging ideas and best practices in the field of Smart Cities not limited to theory but also including real world applications.

We welcome you to submit your full papers by **February 1, 2018**.

Accepted papers are expected to be included in IEEE Xplore and indexed by Scopus and Web of Science.

For details on the Smart Cities Symposium Prague 2018, please see the Symposium's website at scsp2018.fd.cvut.cz (to be launched soon) or contact the organizers at scsp2018@fd.cvut.cz.

We are looking forward to meeting you in Prague!

Miroslav Svítek
