

MOBILITY IN SMART CITIES

Understanding new challenges

Smart Cities Symposium Prague 2021
scsp2021.fd.cvut.cz

MAY 28TH, 2021
9AM - 11AM
(ONLINE)

Interactive workshop exploring:

- The changing role of stakeholders in mobility
- New types of stakeholders present or upcoming in the mobility field
- Most important challenges in the mobility sector
- Existing and new tools in the mobility sector
- Measuring suitability of existing tools for the new tasks

We are looking forward to your feedback!
